Tri-Coop Company CEO Mr Rafael De Luca miracle survivor!!!

The private jet crashed in the mountains of Kentucky

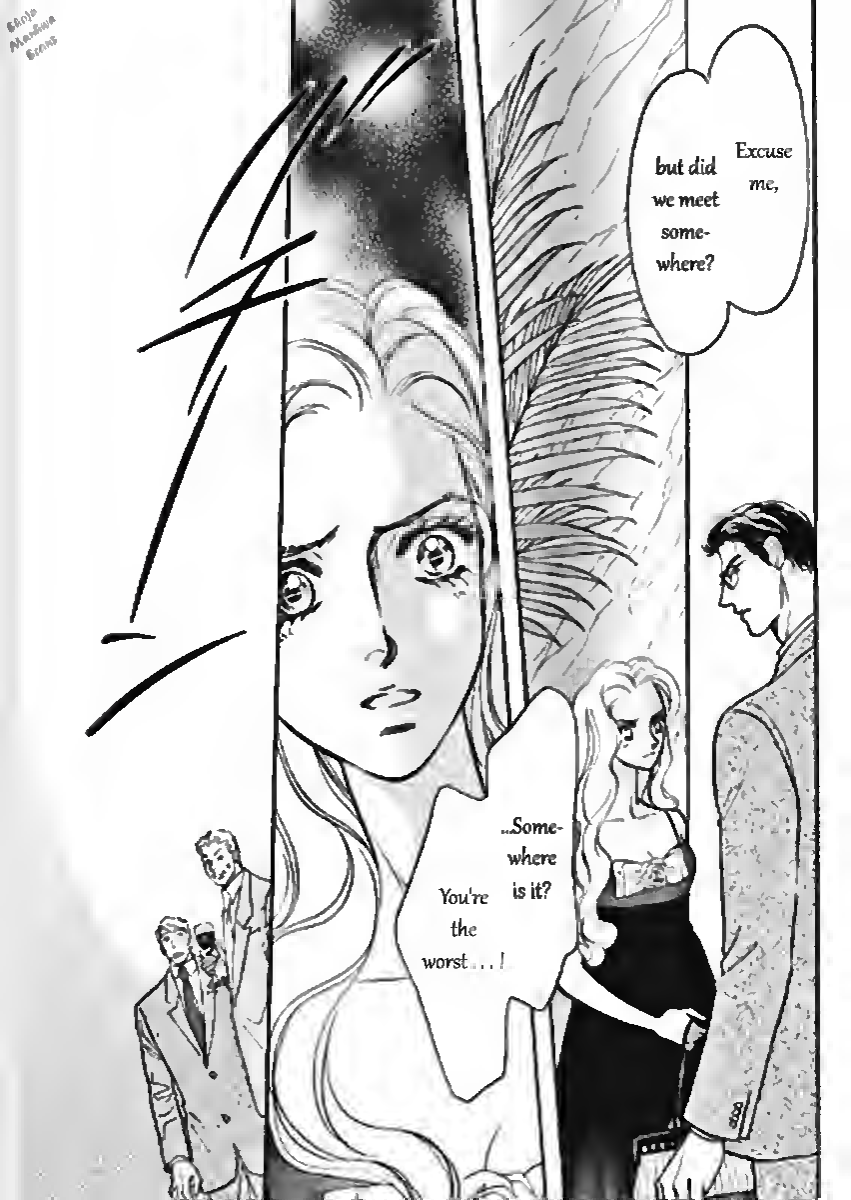
Rafe, are you okay? Your complexion is bad.
You've put in enough time No one suspects a thing
Leave the rest to us and go home early to rest.
Leaving in the middle of the party would be rude, would it not?

There are some investors you have not greeted yet.
Come here, Ryan. What's the name of the old couple?
4 months ago... I lost some memories that had been gathered when the private jet crashed.
But, I cannot afford it to be known to those who invested in the resort plan it

My business partners that knows the truth are friends from college
Just three Cameron, Ryan, Devon
Moon island resort development can satisfy investors more
after I acquired Big Bro's land and build the hotel project that has recruited the investors.
I can raise investor's profit.

Who ...?
Why is she staring at me like that?

Ebola Manhwa Scans



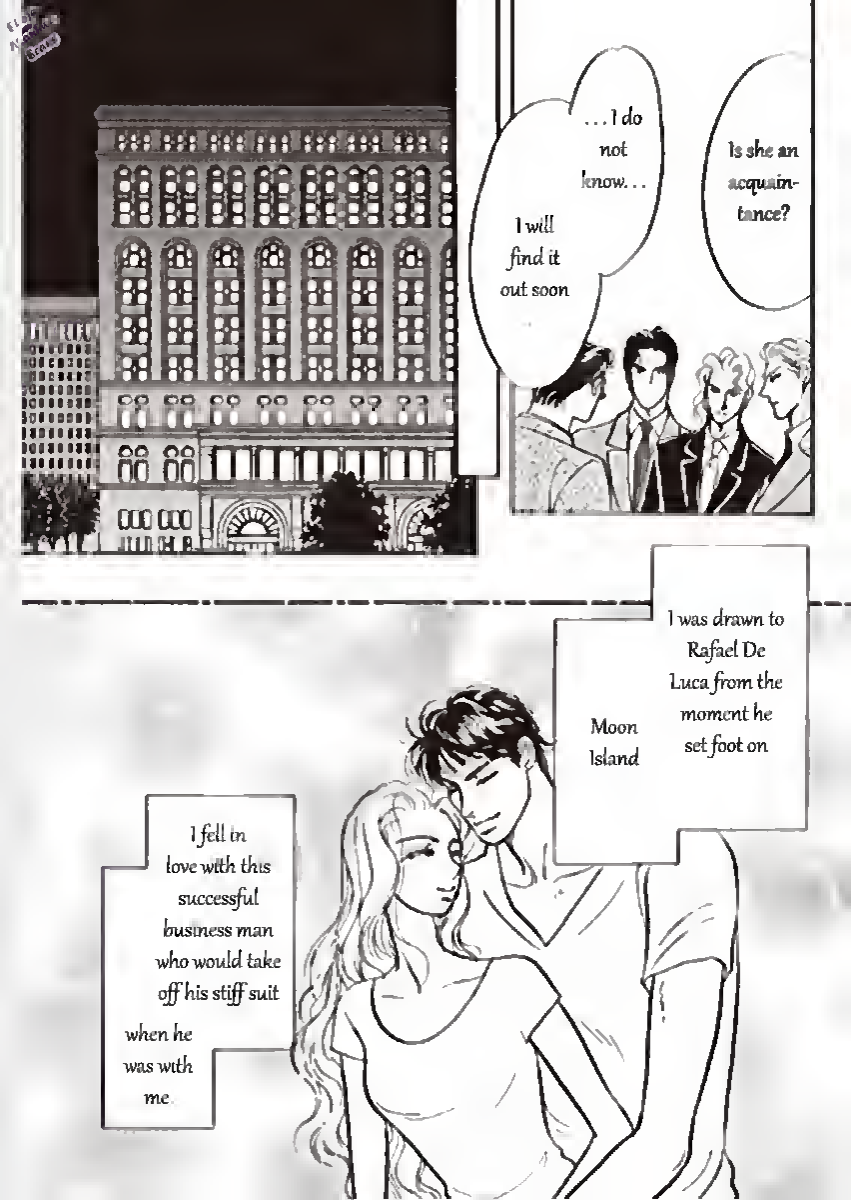
AH!
Hey, you!

Who do you think you are?
Get up!
!!
Do not be rough
She is pregnant!
Huh

You...!
Tears...
!?

Did I hurt her?
No, she does not look familiar...
...
Pregnant and wearing high heels...
what would she do if she fell down?
So, it was only common sense to shed her shoes in order to get away...

What on Earth happened Rafe?
Look for the woman who owns these shoes
And when I find her, what then?
You will only report her whereabouts Afterwards,
I will deal with this personally
Maybe it is a trap.
She might be trying to use the memory loss to pretend to know you.



Is she an acquaintance?
...I do not know...
I will find it out soon
I was drawn to Rafael De Luca from the moment he set foot on Moon Island
I fell in love with this successful business man who would take off his stiff suit when he was with me

No. I do not think so, maybe I was just...
Moon Island is the ancestral land of my people which I've inherited
And Rafael De Luca approached me just to get his hands on it
I was getting hungry
Room Service
ピンポーン!...

Don't come in!
I'll call security!
Get out or I'll call hotel security.
. . . Go ahead and call

In that case, I'll leave.
But I own this hotel, so it would be hard to throw me out.
. . . First meeting . . . is it?
Bryony Morgan, why did you hit me when we first met?

...Utterly disgusting man...!
Pretending to love me just so you could buy my land!
Now, you say we have never met!?
..We've slept together...?
Are you telling me you're pregnant with my child!?
Even though I don't know who you are.

You said you were going to build a villa for personal use not a resort development . . . !
You seduced me in order to sign a contract to sell the land that has been handed down from generation to generation in my family!
The contract did not indicate anything about the conditions of use of the land
there's no means in the contract that state the land cannot be used for a resort development.
It is. . . because it was verbal agreement between you and me. . .

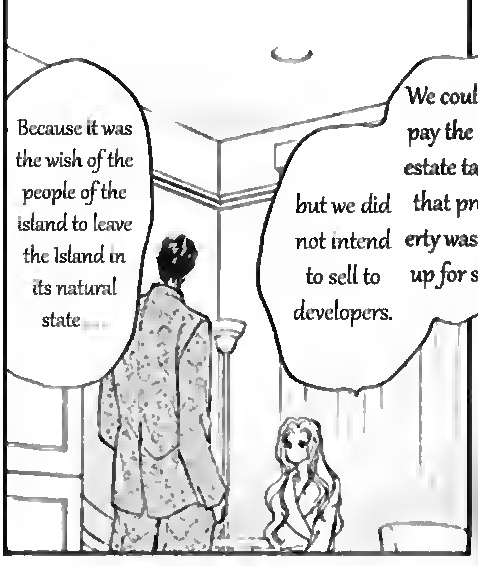
What do you mean you cannot remember...?
Do you honestly think I believe such a story?
Even though I do not remember what I even had with you.
I was in an accident...
A few months ago.

Boys Manga Scans

Ever since then some memories have been lost.
Memory loss . . . ?
Could you not think of a better lie?
. . . Such would be a natural reaction,
but I can in fact show the doctor's medical certificate.

She is beautiful ...
a light-skinned blonde but not the type of woman whom I would normally date
Such a thing ...
I fall in love immediately after meeting
and yet I neglect to use contraception
I do not like what I may think.

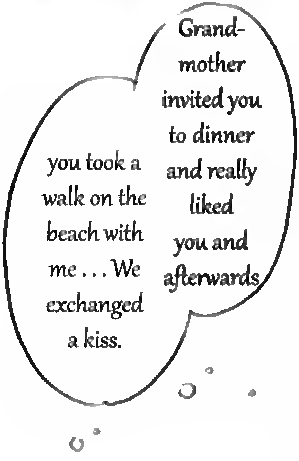
Boys Manga Scans



Because it was the wish of the people of the island to leave the Island in its natural state...
We couldn't pay the real estate tax... but we did not intend to sell to developers.
that property was put up for sale,

But she does not seem to be lying

I told you
if you wanted to buy the land then you needed to meet my grandmother
and promise not to sell the land to developers



Grandmother invited you to dinner and really liked you and afterwards
you took a walk on the beach with me... We exchanged a kiss.

It took three days to get you out of the formal suits.
We superimposed on a date every day from the following day.
Wait a minute- Who was wearing what?
So we went shopping and bought a T-shirt, beach sandals, and shorts.
When you were wearing a suit even to walk on the beach it was out of place.
... That's not what I mean.

T-shirt, beach sandals, and shorts!
It is quite common clothing.
We bought swim trunks, too.
Impossible...
At the end of the first week
you came to my house and stopped paying the hotel bill. It was a great four weeks.
Also slept in my bed.
.....

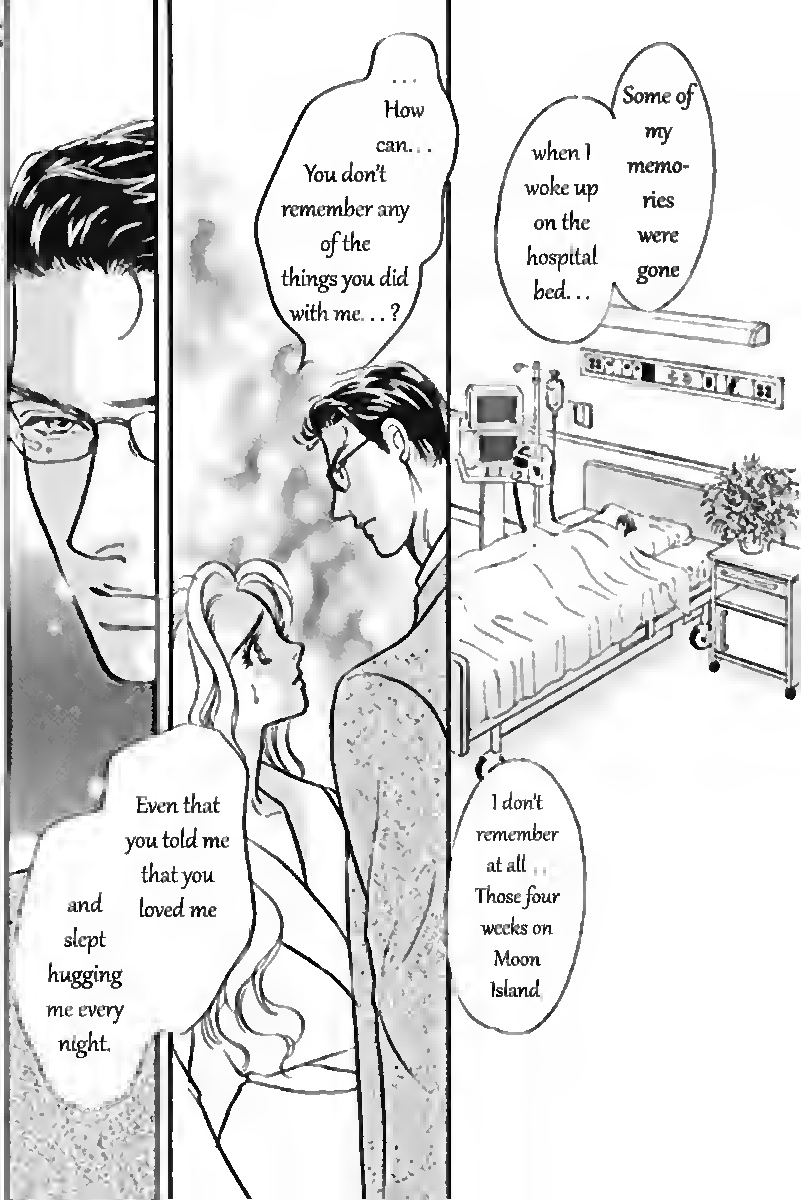
Shoko Matsuhisa Scans

. . . You still don't believe my story do you?
Your story is. . . unbelievable to me.
Such a thing is difficult even to imagine
a human is absolutely unlikely to do.
I.... such a thing and even T-shirts,
beach sandals, and shorts?

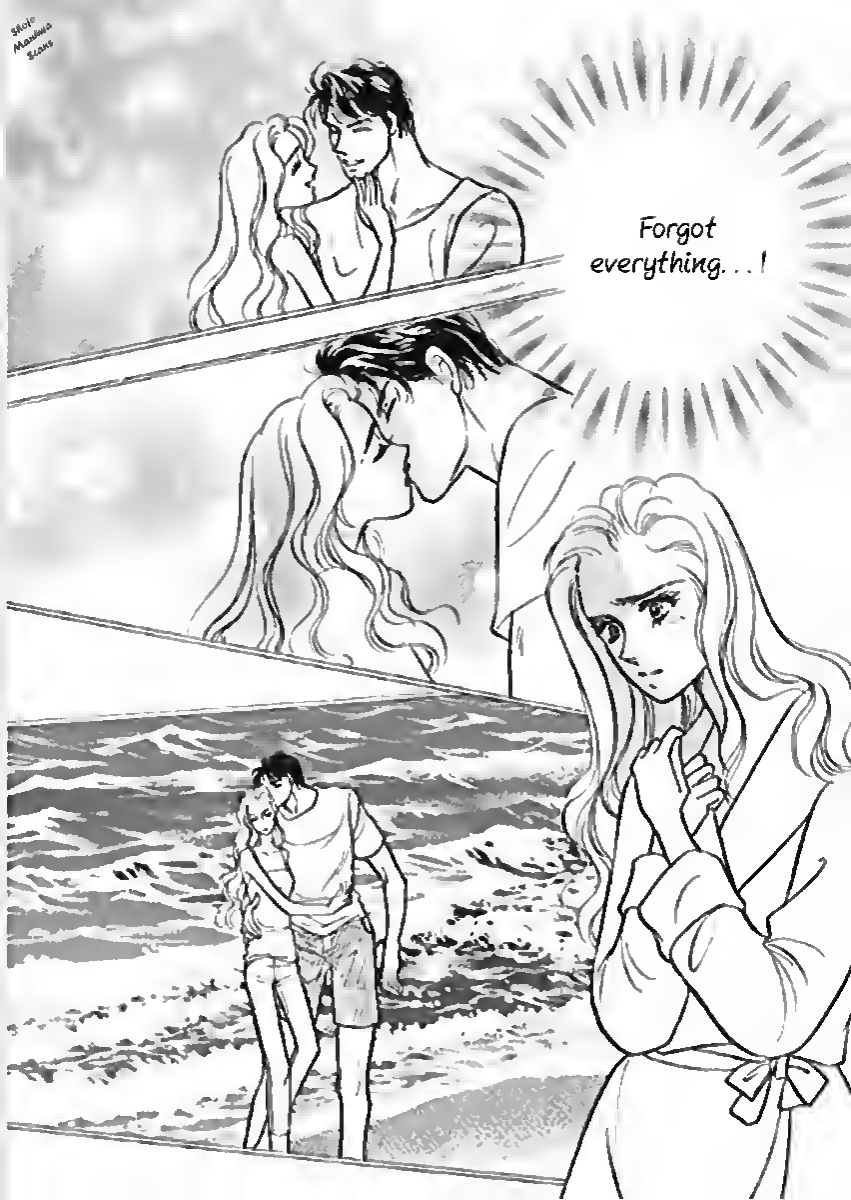
Shoto Manga Scans

They say there are three people who look just like you in the world,
even so this is you and you alone.
...
This is...
It is definitely me.
However...
When did we meet for the last time?
What were we doing that day...?

You said you needed to return to New York
the next day for urgent business after I signed the contract
It was the 3rd of June
That is the same day the accident occurred..
The private jet that I was on crashed in Kentucky...
!!



Some of my memories were gone when I woke up on the hospital bed...
I don't remember at all... Those four weeks on Moon Island
... How can... You don't remember any of the things you did with me...?
Even that you told me that you loved me and slept hugging me every night.



Shoji Mashima Scans
Forgot everything...!

Shoko Matsuoka Scans
She did not lie and I am definitely in the picture she has.
But I am far too unlike myself.
Bryony
We apparently have much to talk about and match together.
But it's impossible to resolve this in a night.

Shoto Manhwa Scans
If what you say is correct then my life changed a lot on that island. Would you help me put my memories back together on that same island where we met?
...Yes, that is true.
Huh ...?
My memory may come back if you help me repeat again those 4 weeks.
.. If it does not return ...?

Shoto Manhwa Scans
I should know from this trip
we spent with each other those 4 weeks ... If we
You think your memory will come back if you go?
Rafael, are you insane? What will you do back at Moon Island now?

we seemed to love each other.
Going is better than doing nothing. From what she said. .
About that. . . I suggest you have paternity test done.
And the said you are the father of her child , right?
Oh let's do that.
before anything bad gets published.
First of all, hire a lawyer

Shoto Manhwa Scans

. . .Sorry, I have an appointment I need to get to now.
Oh. . . I too have a place I need to go to.
Rafe even when you go on your journey remember to keep in touch properly
Okay.
I will be waiting for a progress report.
Ryan, you are also having difficulties now, right?
Have you found her yet?
No. . . Not yet, but it's just a matter of time before we find her.
Where as . . You do not remember anything about her at all?

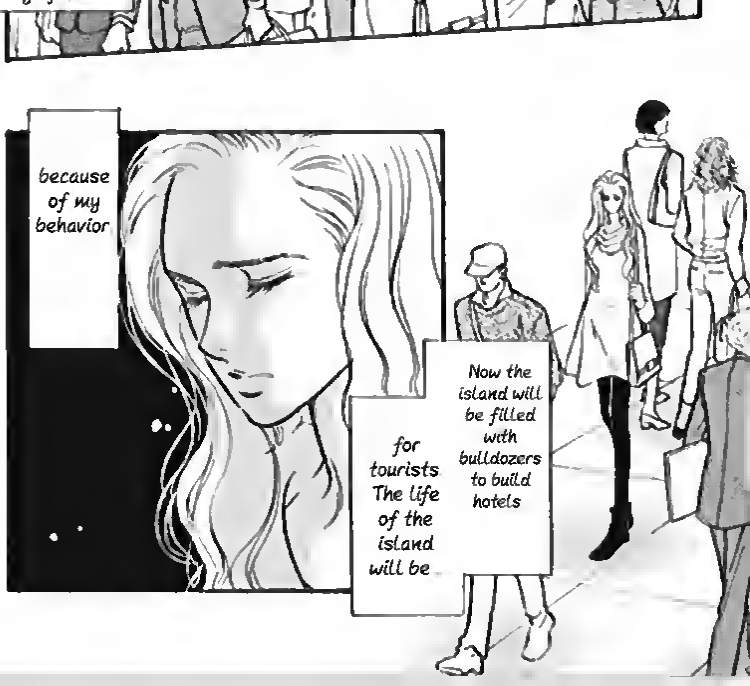
Shoto Manhua Scans

If you say you were together until she got pregnant four weeks ago,
though it'll be good to even remember something, a little too much is bad.
Even if you don't remember anything about her,
watch out for the people of the moon island...
...My memory has large holes in it.
I feel like she is in the center of it and I should not be...
So I want to go back to that island.

Shoji Morimoto Scene
I don't think she is lying
But the me from her stories
and the me now are completely two different people
If I go back to the island
I may be able to fill up the gaps in my memory

Shoto Manhua Scans

Moon Island is a special place
The island is untouched by land developers
People who live there are either fishermen whose families have been living on the island for generations or retirees looking for a getaway from the city life

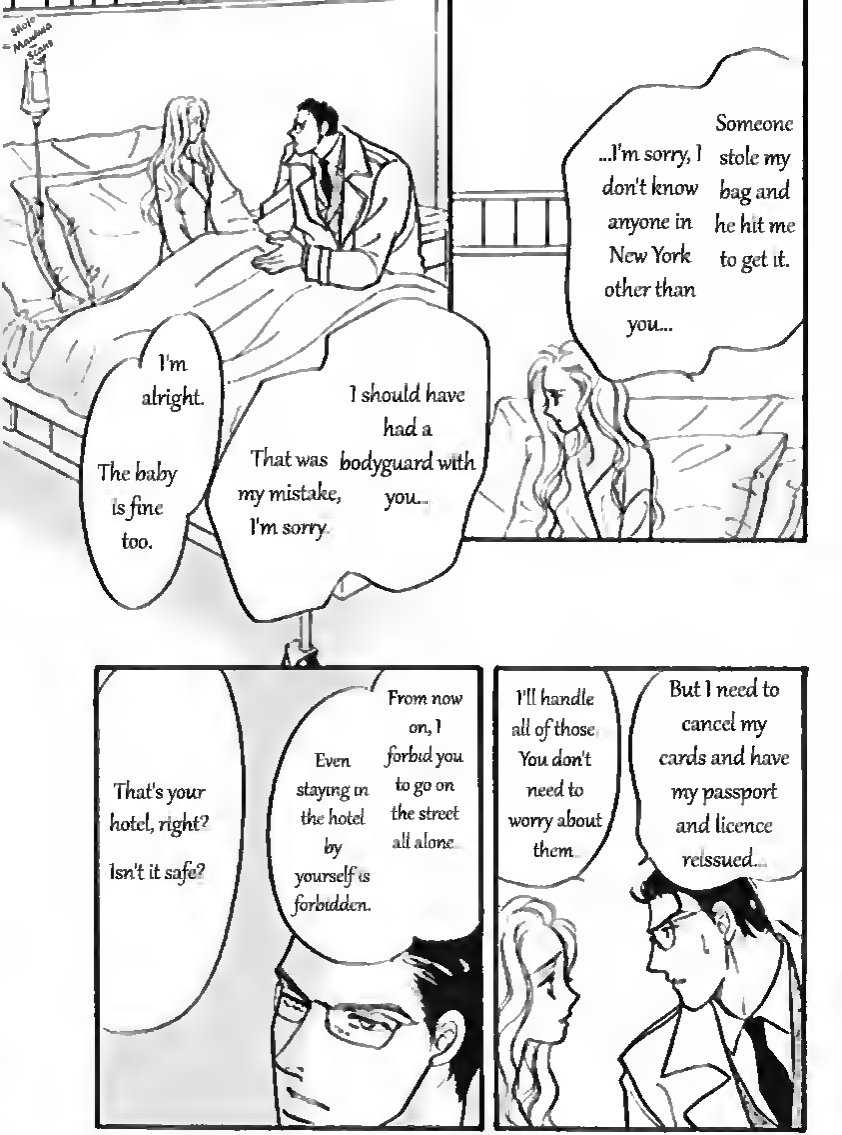


because of my behavior
for tourists The life of the island will be
Now the island will be filled with bulldozers to build hotels

Shiho Minamoto Story
There is no more room for errors
If I could get them to add a no building permit on the land
into the contract
Ah..
What are you doing?
Give me back my bag
SHUT UP!

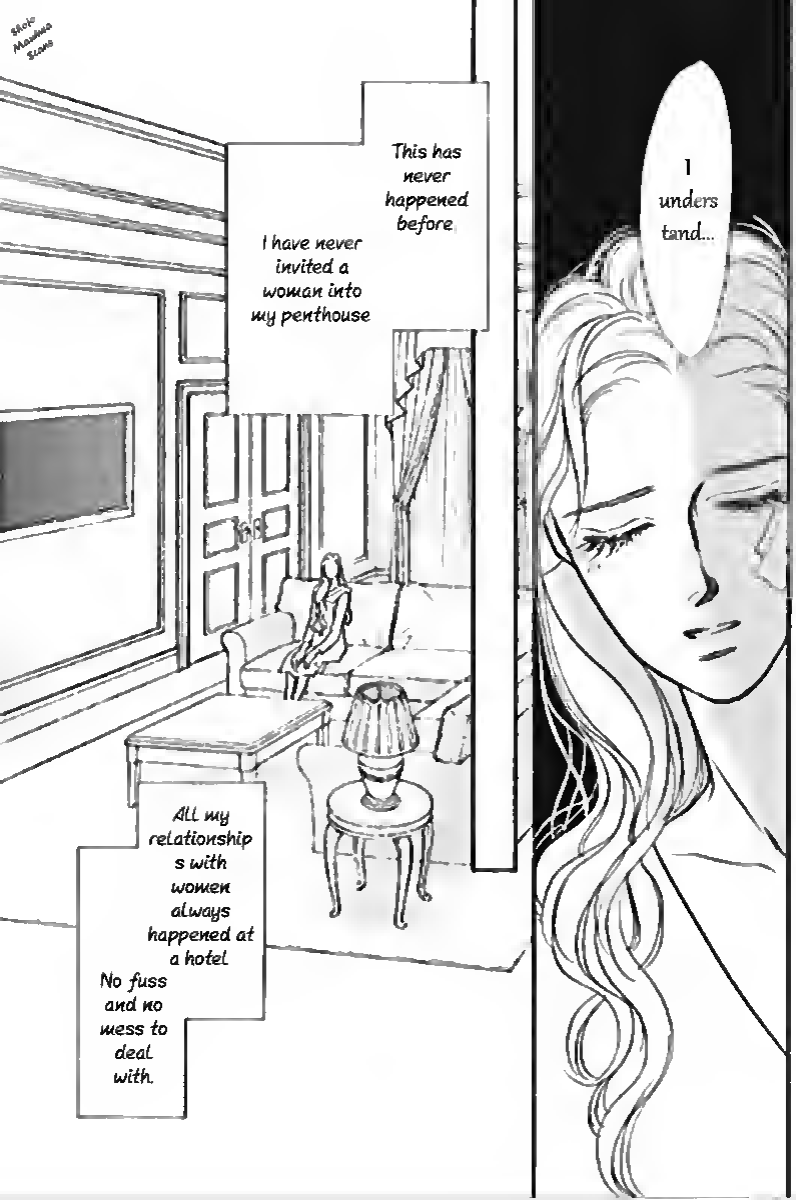
Hey
Are you alright!?
Hang in there
SOMEONE PLEASE CALL AN AMBULANCE!!

Shoto Mashiko Scans
BRYONY!
Rafael.
What happened?
Why are you here?



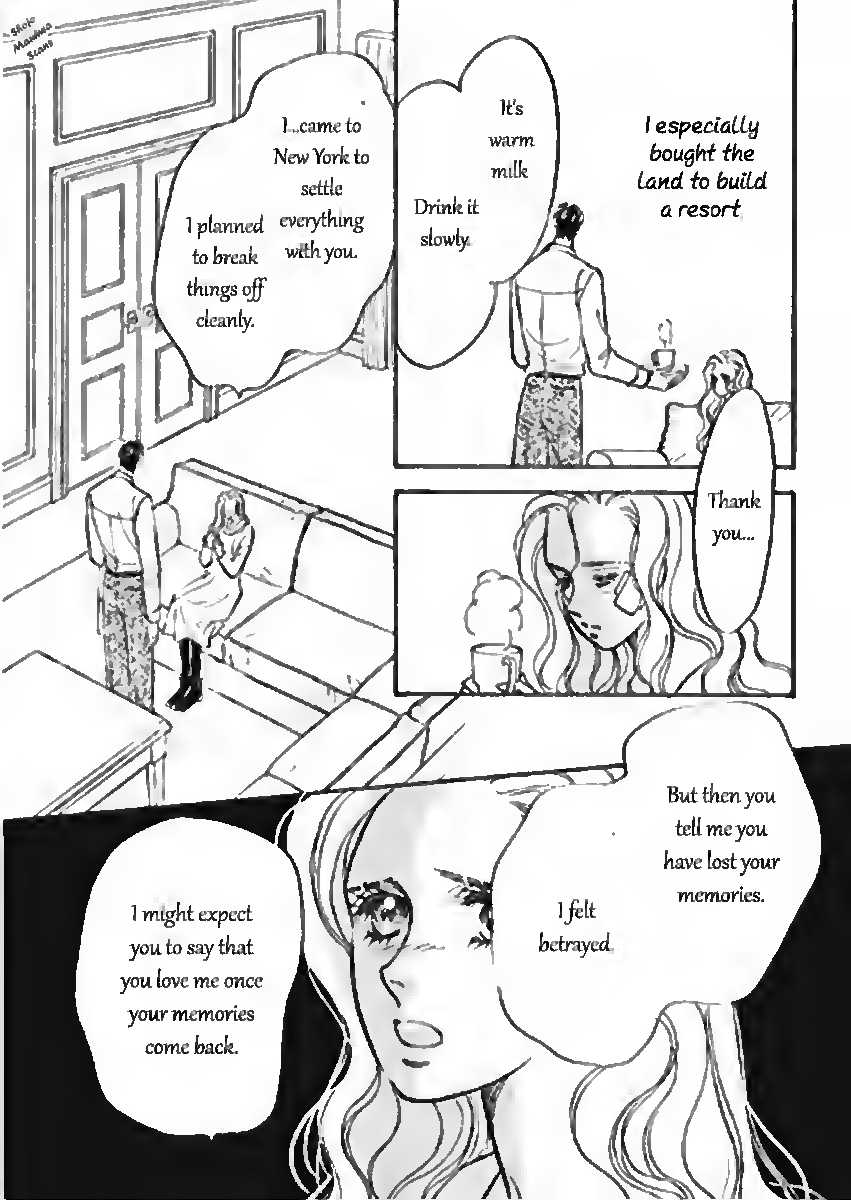
Shoto - Masuwa Sora
...I'm sorry, I don't know anyone in New York other than you...
Someone stole my bag and he hit me to get it.
I'm alright. The baby is fine too.
That was my mistake, I'm sorry.
I should have had a bodyguard with you...
That's your hotel, right? Isn't it safe?
Even staying in the hotel by yourself is forbidden.
From now on, I forbid you to go on the street all alone.
I'll handle all of those. You don't need to worry about them.
But I need to cancel my cards and have my passport and licence reissued...

Shoko Matsuoka Sizuka
There isn't a more safer place than beside me.
Until we go to Moon Island, I want you to live in my house.
Like this, we'll be able to get to know each other more.
My memory might even come back.



Shoto Manhwa Scans
This has never happened before.
I have never invited a woman into my penthouse
All my relationships with women always happened at a hotel.
No fuss and no mess to deal with.
I understand...

Shoko Matsuoka Sensei
It is the result from my efforts and time
It isn't pure luck that I have a successful business
It's my policy not to get deeply involved with a woman
I always go home past dinner time every night
Otherwise I wouldn't have be this successful
I put my work before everything



I...came to New York to settle everything with you.
I planned to break things off cleanly.
It's warm milk
Drink it slowly.
I especially bought the land to build a resort
Thank you...
But then you tell me you have lost your memories.
I felt betrayed
I might expect you to say that you love me once your memories come back.

Shoto Manhwa Scans
..My bad .
I have caused you so much pain
On top of the betrayal, you might not help but have your doubts ..
That thought scares me even more than death...
My memory will come back. There must be some sort of clue
Surely...

Rafael...!
Wake up...!

It feels very natural when we are together...
Yes..
We fit each other.
Rafe..
Your heart
Is telling you to hold me tightly.

Shoko Matsuoka Sensei
There must be some kind of meaning to it.
Surely I feel like I've come home when I kiss you.
Do you think I was going to give up without a fight,
after you told me you lost your memories
I'll remind you somehow.
Bryony.
but mine as well.
This doesn't just concerns your happiness,

Devon.
Hello.
...ah.
Sorry for interru pting.
There was something I came to talk to you about.
When the doorman told me you were outside playing in the snow.
I thought it was a bad joke until I saw it with my own eyes.
Can I have some of your time?
I'll go back first.
It's actually quite cold out here.

Shoko Matsuoka Sensei
Lets go to the coffee shop in the lobby
Here's the key
You'll need it to ride the elevator
Hey Rafe,
Did you think this through?
Going all the way to the island with that woman who claims to be carrying your child.

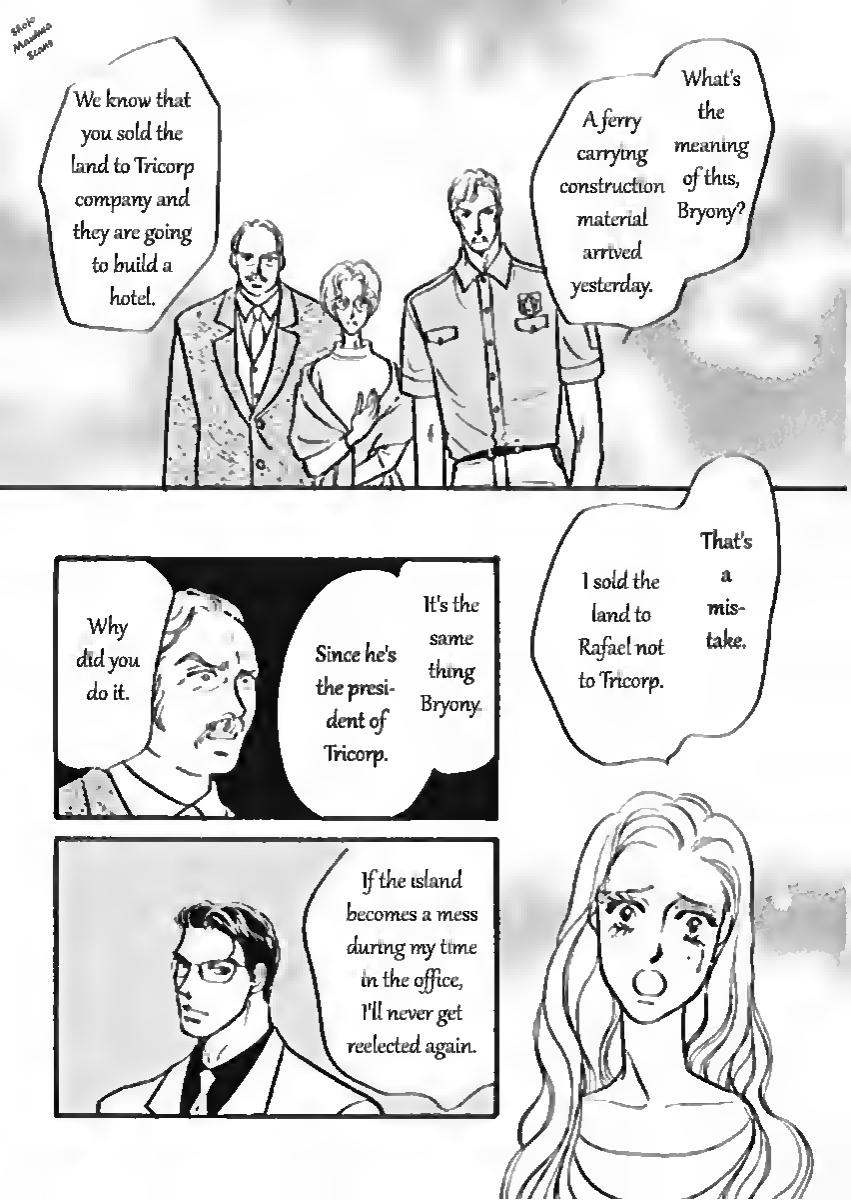
Shoto Manhwa Scans

You can't trust her words, until the results come out.
And have a paternity test done
You should call the lawyer.
There's already a gap between the two of us.
If that child is really mine, how should I fill that gap.
It seems like you've already decided to trust her word.

Shoto Masahiro Scene
...The thought that I fell for her, in just matter of weeks is absurd...
It's completely the opposite of me,
But..
. but?
...My reasoning is telling me that, she is lying.
But my gut is telling me that she is telling the truth

Shoko Matsuoka Scans
Devon, I always went with my guts rather than logic.
And it has never been wrong.
Not once.

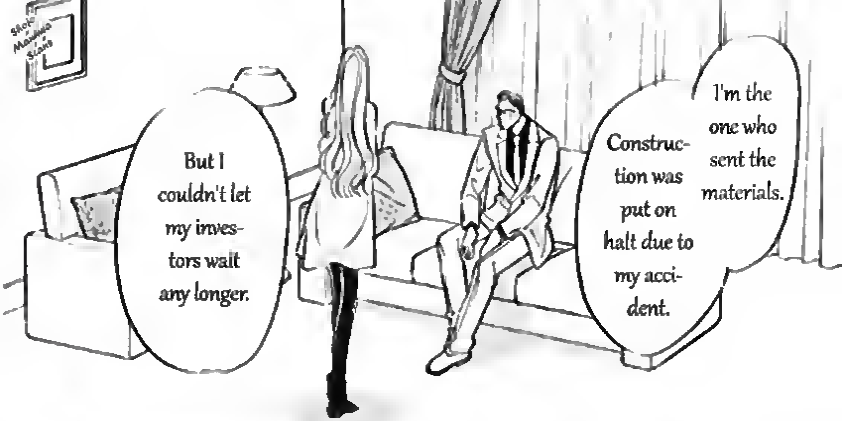
We're finally here. This is my house.
Grand-mother?
Even the mayor and the sheriff...
Is some-thing wrong?



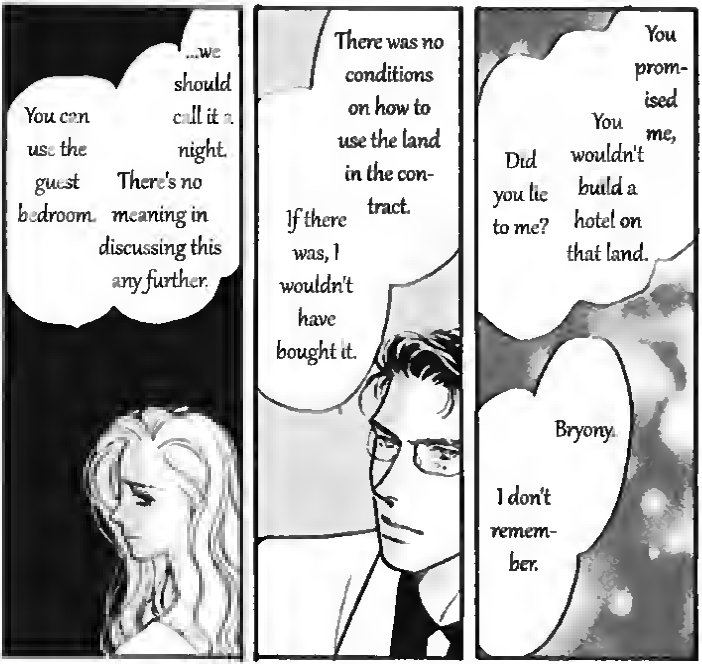
We know that you sold the land to Tricorp company and they are going to build a hotel.
What's the meaning of this, Bryony?
A ferry carrying construction material arrived yesterday.
That's a mistake.
I sold the land to Rafael not to Tricorp.
Why did you do it.
It's the same thing Bryony.
Since he's the president of Tricorp.
If the island becomes a mess during my time in the office, I'll never get reelected again.

Lets go home for now, Mayor.
He's not doing anything illegal with the land.
It's been a long journey.
Lets discuss this tomorrow.
Welcome back Rafael.
I'm glad to see you again.
Is it alright not to send your grandmother back to her house?

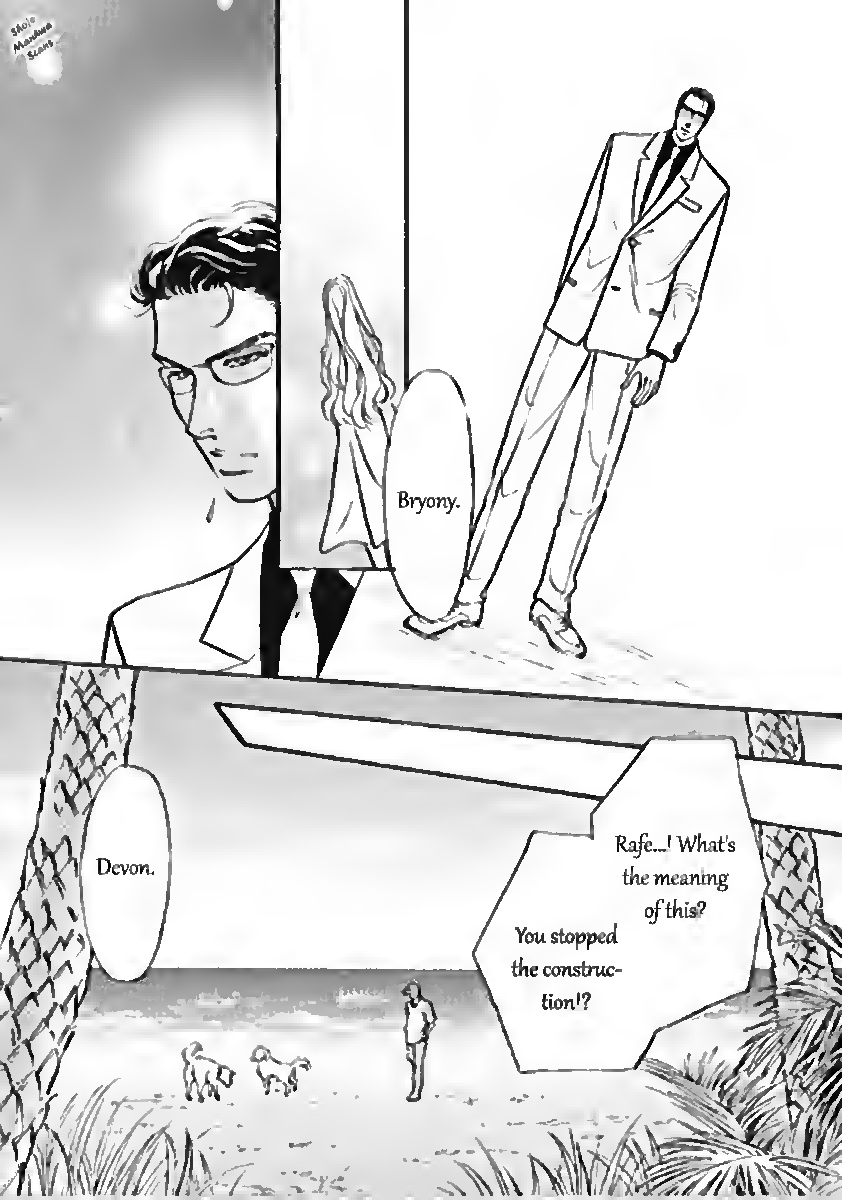
Shoto Manhwa Stars
...you don't even remember that.
She lives next door.
It's just a few step from my house.
I see. I was worried for nothing.
...
Bryony...
Can you tell me what's going on, Rafael?



But I couldn't let my investors wait any longer.
Construction was put on halt due to my accident.
I'm the one who sent the materials.



You can use the guest bedroom.
...we should call it a night. There's no meaning in discussing this any further.
There was no conditions on how to use the land in the contract.
If there was, I wouldn't have bought it.
You promised me, You wouldn't build a hotel on that land.
Did you lie to me?
Bryony.
I don't remember.



Bryony.
Devon.
Rafe...! What's the meaning of this?
You stopped the construction!?

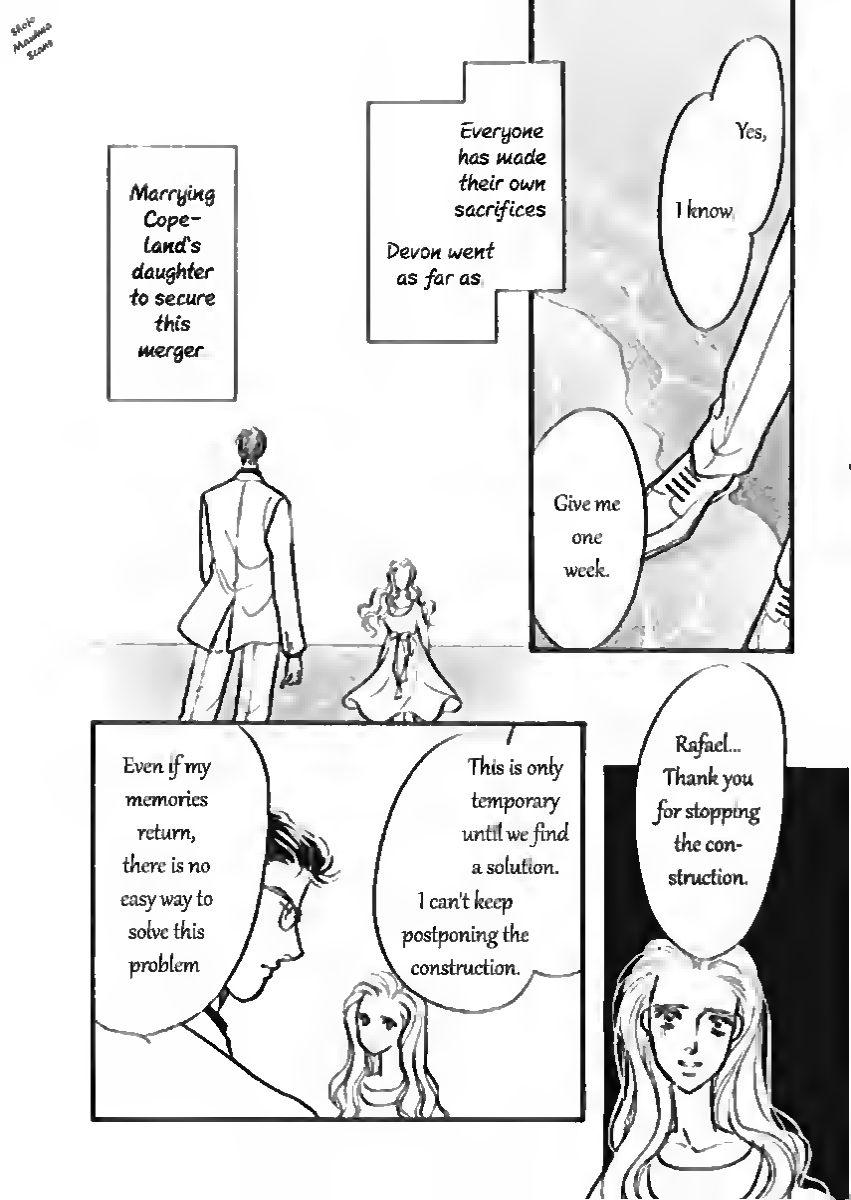
Shoto Manhwa Scans

It's only temporary.
I still haven't talked to Bryony.
I'm starting to get angry here, Rafe.
You're being completely played by that woman.
This is business
Has she messed your head so much that you longer have common sense?
I put so much into my work that people call me a cold blooded bastard.
Isn't it because you are a cold blooded bastard that you are successful?

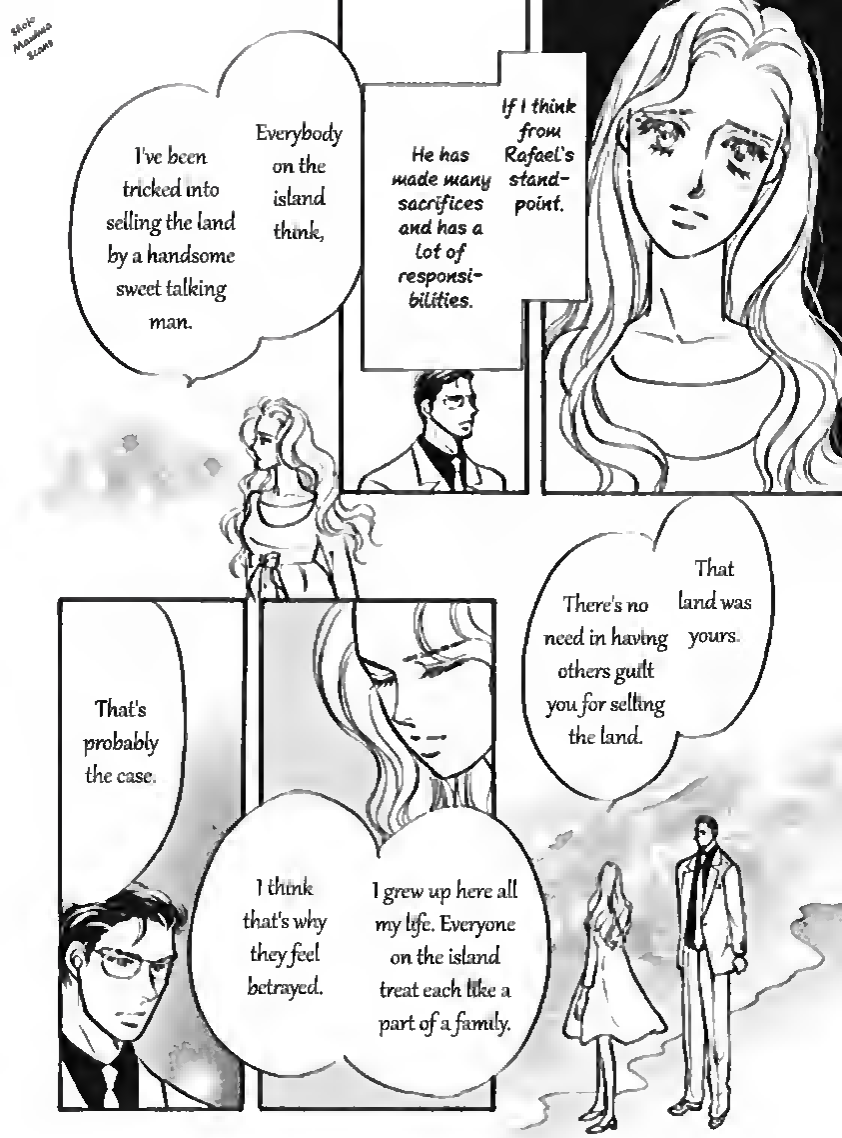
Shoto Manhwa Scans

No matter what you had to do to get it.
Didn't you say that you wouldn't leave without a signature?
Before you left New York,
That's the thing I don't know about.
This is a critical moment in the success of our large-scale project.
I beg you, don't mess this up.
But the one who is the way of our plans is you.
You are the owner of that land.

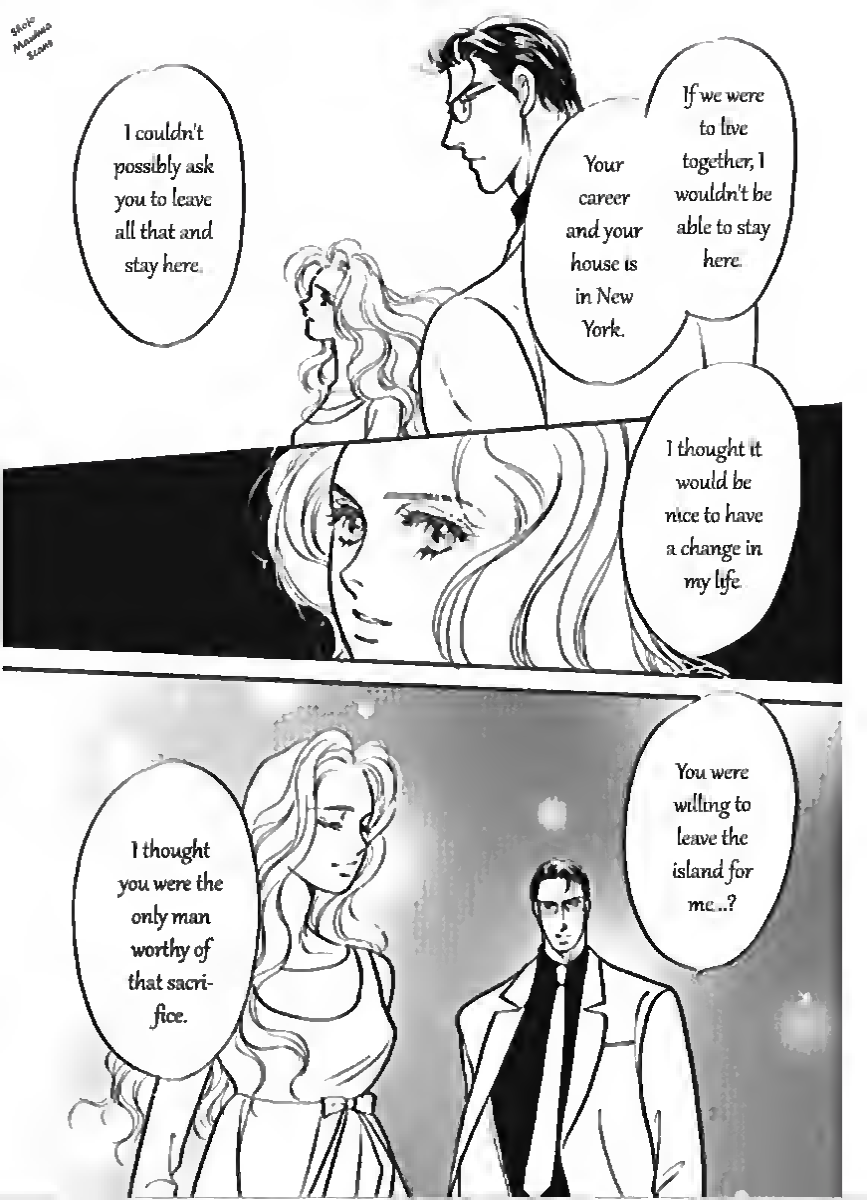
Shoto Manga Scans



Marrying Cope-land's daughter to secure this merger
Everyone has made their own sacrifices
Devon went as far as
Yes, I know
Give me one week.
Even if my memories return, there is no easy way to solve this problem
This is only temporary until we find a solution.
I can't keep postponing the construction.
Rafael... Thank you for stopping the con-struction.



Shoko Matsuoka Scans
If I think from Rafael's standpoint.
He has made many sacrifices and has a lot of responsibilities.
Everybody on the island think,
I've been tricked into selling the land by a handsome sweet talking man.
That land was yours.
There's no need in having others guilt you for selling the land.
I grew up here all my life. Everyone on the island treat each like a part of a family.
I think that's why they feel betrayed.
That's probably the case.



Shoko Matsuoka Scans
I couldn't possibly ask you to leave all that and stay here.
Your career and your house is in New York.
If we were to live together, I wouldn't be able to stay here.
I thought it would be nice to have a change in my life.
I thought you were the only man worthy of that sacrifice.
You were willing to leave the island for me..?

Well get going
Be happy
Thank you every-one.
I owe you all one.
That's what happens to men who fall in love.
Just be like me and marry for money and connections
That should be the number one not to get married

Lets get to work.
We'll get Rafe to pay up later.
Bryony.
It's been one week already.

Rafael...! You used to look so confident.
Not like someone who hadn't slept for days

However I was involved in a plane crash and lost my memories
I don't want to return to my old self
And I fell in love with her
And I wish to be someone who is suitable for her
She is a wonderful woman.

Bryony
I love you.
I want to marry you.
Can you forgive me.
All I want now is
I will return the land to her
Her and the child inside her

Rafael.
Won't you give me a second chance
Yes..
I'll marry you.
I love you too.
